HOUSE MADE BREAD PUDDING 12

Vanilla Cream Anglaise | Dehydrated Apple | Almond | Amaretto Liqueur

SWEET LANDING (NF) 15

Crinkles | Ice Cream | Marshmallow | Hot Fudge

Did you know...District 102 is located on the land that was once the warehouse district, and the first licensed airfield in Canada? Blatchford Field Airport commenced operation in 1929. Pioneering aviators Wilfrid R. "Wop" May and Max Ward used Blatchford Field as a major base for distributing mail, food, and medicine. In WWII this area became a pivotal contributor for the Gateway to the North.

You can see an aviation theme embedded in our design - with turbine shaped lighting, hammered metal, reclaimed wood, leather and exposed brick. The feature wall behind the bar resembles the lapel on the uniforms pilots wore during that era.
